MUSIC ANGELS ADVOCATES: MUSIC FOR AUTISM

We are thrilled to announce the launch of our new autism support group. No child should be deprived of the experience of music in their lives. On November 16th, from 6:30 to 7:30 p.m., we will be at the Indian River County Main Library for meetings, including music, for parents and guardians of children on the Autism spectrum. We invite all members of the Vero Beach and surrounding communities to join us in this inclusive effort. Your help spreading the word would be greatly appreciated.
